Description:

Review With the advantage of a lifetime of experience, Greg Koukl has written what must be considered THE authoritative treatment of how to employ various strategies in conversations with unbelievers about the Christian faith. Tactics is not just another apologetics book. It is a sensitive, well-written, widely illustrated treatment of actual situations that often come up when believers share their faith. Koukl not only reminds us it is not enough to know why you believe, it is also crucial to know how to communicate those beliefs by adapting to various situations. And Tactics

shows precisely how to do that. -- J. P. Moreland, Distinguished Professor of Philosophy, Talbot School of Theology

About the Author Gregory Koukl holds MA degrees in both apologetics and philosophy. He's spoken on over 50 university campuses and hosted his own radio talk show for 18 years defending 'Christianity Worth Thinking About.' Greg is founder and president of Stand to Reason (str.org) and serves as adjunct professor of Christian apologetics at Biola University.
