#### Description:

**About the Author** I, Win Charles, was born in 1987 in Aspen, Colorado, where I still live. I am a self-taught artist who became interested in art as a way to cope with cerebral palsy. The medium I use most often is digital art. Besides life in general, I am artistically inspired by roses and orchids,

and the flora and fauna of the Bahamas. The Bahaman people are also wonderful inspirations for me. I truly admire them.
