Description:

Review

"When it's all said and done, tools-whether hardware or software-are just tools, and it's your ideas and images that matter. You'll find that Martin knows both sides of the equation and never lets the techniques distract from the vision. I think you'll find his perspective and experience invaluable."--

John Nack, Principal Product Manager, Adobe Photoshop

"Evening's Adobe Photoshop for Photographers titles have become classic reference sources, written to deal directly with the needs of photographers and filled with a wealth of practical advice, hints and tips to help you achieve professional results."--**Professional Photographer**

"Richly illustrated with photos and screen grabs, this is an invaluable guide for anyone serious about Photoshop at a very reasonable price."--**What Digital Camera**

"...the bible for digital photographers. Wonderfully illustrated and incredibly detailed to help you master all aspects of the program."--**ephotozine**

"[A] survey packed with digital photo examples, screen shots, and all aspects of working with Photoshop CS4. An outstanding way to learn Photoshop CS4."--**California Bookwatch**

About the Author Martin Evening is a professional photographer and digital imaging consultant, as well as an Alpha tester for Photoshop and key demo artist for Adobe. Based in London, UK, Martin was inducted into the legendary Photoshop Hall of Fame in 2008.
