Description:

***The Illustrated Man*, a seminal work in Ray Bradbury's career, whose extraordinary power and imagination remain undimmed by time's passage, is available from Simon & Schuster for the first time.**

Ray Bradbury brings wonders alive. For this peerless American storyteller, the most bewitching force in the universe is human nature. In these eighteen startling tales unfolding across a canvas of tattooed skin, living cities take their vengeance, technology awakens the most primal natural instincts, and dreams are carried aloft in junkyard rockets. Provocative and powerful, *The Illustrated Man* is a kaleidoscopic blending of magic, imagination, and truth—as exhilarating as interplanetary

travel, as maddening as a walk in a million-year rain, and as comforting as simple, familiar rituals on the last night of the world.
