## **Description:**

**Review** "I do not say there is no character as well drawn in Shakespeare [as D'Artagnan]. I do say there is none that I love so wholly."

--Robert Louis Stevenson

"The lasting and universal popularity of The Three Musketeers shows that Dumas, by artlessly expressing his own nature in the persons of his heroes, was responding to that craving for action, strength and generosity which is a fact in all periods and all places."

--André Maurois

*From the Hardcover edition.* --This text refers to an alternate edition.

**From the Publisher** Founded in 1906 by J.M. Dent, the Everyman Library has always tried to make

the best books ever written available to the greatest number of people at the lowest possible price. Unique editorial features that help Everyman Paperback Classics stand out from the crowd include: a leading scholar or literary critic's introduction to the text, a biography of the author, a chronology of her or his life and times, a historical selection of criticism, and a concise plot summary. All books published since 1993 have also been completely restyled: all type has been reset, to offer a clarity and ease of reading unique among editions of the classics; a vibrant, full-color cover design now complements these great texts with beautiful contemporary works of art. But the best feature must be Everyman's uniquely low price. Each Everyman title offers these extensive materials at a price that competes with the most inexpensive editions on the market-but Everyman Paperbacks have durable binding, quality paper, and the highest editorial and scholarly standards. --This text refers to an out of print or unavailable edition of this title.
