**Description:**

Using her unique M-A-P approach (Model-Analysis-Practice), Susan Fawcett's books have guided hundreds of thousands of students through the writing process, from foundations of grammar, mechanics, and spelling through writing clear sentences and well-organized paragraphs. Her inductive approach; plentiful, high-interest student models and practices; and contemporary readings engage and motivate students. This new Eleventh Edition of GRASSROOTS triples the writing coverage-with new Chapters 5 and 6, "Thinking Through the Writing Patterns." Also featured

are new critical-thinking and viewing assignments throughout; eight fresh reading selections focused on issues and ideas, not narrative; and a new emphasis on academic and third-person writing.
