Description:

Food and Beverage Highlight: Momofuku Photo from Momofuku Like everything else in New York, culinary fashions come and go at the speed of light, but few chefs have blazed to stardom quite as quickly as David Chang, owner of Momofuku restaurants. In some ways he's the Anti-Chef, still in

his 30s with a buzz cut and profane language, committed to keeping his restaurants moderately priced and open to walk-in diners.

From the Back Cover "Frommer's can be relied on for top-quality guides.... They are hard to beat."
