Description:

Review "Agatha Christie gave readers the world over a vivid sense of English life, especially in her depiction of the small village where nothing happens until, of course, a murder is discovered." (Jacqueline Winspear, New York Times bestselling author of the Maisie Dobbs novels) --This text refers to the edition.

From the Back Cover

The villagers of Chipping Cleghorn are agog with curiosity when the Gazette advertises "A murder is

announced and will take place on Friday, October 29th, at Little Paddocks at 6.30 p.m.”

A childish practical joke? Or a spiteful hoax? Unable to resist the mysterious invitation, the locals arrive at Little Paddocks at the appointed time when, without warning, the lights go out and a gun is fired. When they come back on, a gruesome scene is revealed. An impossible crime? Only Miss Marple can unravel it.
