Description:

Review "There is no doubt readers will readily relate to the emphasis and stories included because they are so down to earth and similar to many people's Christmas experiences...It is an easy but very enjoyable read."

—Ed Spann, former dean, Dallas Baptist University

About the Author Mike Huckabee grew up in Hope, Arkansas, and got his first job as a newsreader at age fourteen. Before his political career and current stint in radio and television, he was a pastor in local churches in Arkansas and a denominational leader. He served as lieutenant governor of Arkansas from 1993 to 1996 and as goevrnor from 1996 to 2007. During the 2008 Republican presidential primaries, he ran a shockingly successful underdog campaign, capturing eight states, including the hotly contested Iowa Caucuses.

Today he's the host of the very popular talk show *Huckabee* on Fox News Channel (where he plays bass guitar with the house band) and *The Huckabee Report* on the ABC Radio Network. He's also the chairman of HuckPAC, a grassroots conservative organization. His books include the *New York Times* bestseller *Do The Right Thing*, about his vision for America, and *Quit Digging Your Grave with a Knife and Fork*, about his dramatic weight loss. He and his wife Janet, have three grown children, three dogs, and at least that many friends.
