Description:

This text offers a student-friendly, up-to-date and comprehensive introduction to the study of criminology.

Criminology Today: An Integrative Introduction, 7e, continues to offer students a clear,

contemporary, and comprehensive introduction to criminology that encourages critical thinking about the causes of crime and crime-prevention strategies. The text's hallmark thematic approach of social problems versus social responsibility (Is crime a matter of individual responsibility or a symptom of a dysfunctional society?) prompts students to think critically about the causes of crime and helps them see the link between crime theories and crime policies.
